UPPER IOWA FOOTBALL

The Upper Iowa Athletics Department is proud to announce the return of the Gundersen Health System Family of the Game promotion for all home football games in 2015.

Gundersen Health System will provide four (4) free tickets to a selected family for each of Peacock Football's six home games. In addition to the tickets, the selected family for each game will receive a \$25 gift certificate to be used at the concession stand for their game.

Any family is eligible to sign up by filling out a registration form at upperiowaathletics.com. You don't need to be a Gundersen patient to enter the drawing. Winners will be selected on the Wednesday prior to each home football game, and will be notified by the Upper Iowa Athletics Department. A family only needs to sign up once, to be eligible for all six of the home games during the 2015 season.

Peacock Football opens the 2015 season on Saturday, Sept. 5, with a 12 p.m. kickoff against the Northern State University Wolves.
